

Attendance: Bill Theis, Rodney Jester, Ed Rohrbach, Mick Fitzharris and Val Hutchinson

**Meeting Convened** at 7: 04 p.m.

**Minutes:** February Civic Monthly Minutes approved as presented.

## **Community Garden**

Community garden has requested gravel/stones for the area to be laid from Sunset Road to the garden gate because truck deliveries have gotten stuck.

Civic does not approve delivery of stones because it is outside the garden boundaries. Instead, the committee recommends putting down mats or plywood.

## **Trees**

Cut two trees down: one was at the Field Theater which was an ash tree that was hollow in middle. The other tree was a sweet gum and it was located on green across from Burslems leasehold.

## **Fence**

Sweep along Millers Rd (old swimming hole) falling apart post and rail fences.

Take out and eliminate or replace posts. They won't replace any posts unless they need to.

## **Sand barrels**

Mary Vernon called Bryon Short about no delivery this winter. His assistant, Kiki, said the order by the town must be requested in November. If you don't receive letter pertaining to sand delivery arrangements, then someone from the Village needs to call to place order.

Meeting adjourned at 7:23 P.M.

Elizabeth Resko,  
Village Secretary
