

December Minutes Playground Committee

In attendance, Dela Bryan, Jim Laurino, David Nordheimer, Jeff Politis

1. We are waiting on a design by Bill Duncan White Oak Landscaping.
Jim L said he would also ask Chalfonte Construction to submit a plan.
2. J Politis will contact other companies that put in bids for W Montessori school. Jeff will also contact J Cartier, B Short and C Cloutier for funds.
3. David N will ask Ed Rorhbach for a new rendering of the design of the terrain slide.
4. Jeff P. volunteered to follow up on the process for obtaining J Schoeder funding.
5. We are working quickly to put together a presentation for the Jan town meeting. Jim L has a projector and Gild hall has a big screen.
6. We all feel that a terrain slide is safe, and is less expensive to maintain than a standing slide, in that we will not have to maintain mulch. It will be beautiful, complete with sod, small bushes, attractive stones for climbing, and will give all age groups a new playground experience that will be fun.

Next Meeting will be Thur Jan 8th
