

We then ~~unanimously~~ ^{readily} ~~accepted~~ ^{accepted} the minutes and approve the action taken.

Maudie L. Morley

A special meeting of the Town Assembly of Arden was held on September 25, 1950 at the Gold Hall and presided over by Trustee Ware.

After a quorum was declared present Mr. Ware stated the purpose of the meeting was to ~~act~~ approve or disapprove the action taken at an informal meeting held on August 28.

The minutes of the August meeting were read and after some discussion it was moved and seconded that the action taken at the August meeting be approved. This was passed unanimously.

The Advisory Committee had several points to present to try and improve attendance at Town Assembly. 1. Meeting should start on time and should have set time for adjournment. 2. Meeting should or could be followed by a social gathering. 3. matters that could be handled by committee but be discussed at length on the floor. 4. possibility of having proxy voting by amendment to By Laws. A motion was made that the By Laws Committee draw up an amendment which would make proxy voting was defeated.

It was felt that sufficient publicity given to meetings would encourage attendance. Several people spoke against a set time for adjournment. Mr. Harrison said we should keep By Laws as simple as possible. A motion was made that the report of the Advisory Committee be received. Motion carried.

The meeting on motion adjourned.

Respectfully submitted
