Minutes of the Arden Registration Committee  
Preceding the Vote Count for the Election of Committees & Officers

Attending: Cecilia Vore, Barbara Henry, Elaine Hickey, Dorinda Dove

Discussed Marianne Cinaglia's request for universal ballots to be mailed to residents for the March election (Committees & Officers), in the same way we conduct referendums. Marianne made this request to the Town Chair, who forwarded her concerns to the Registration Committee. We have not received any direct correspondence from Marianne, but thought we could take this opportunity to discuss it.

The committee is opposed to a mail-in ballot for the March elections.

Vote count conducted.
