Millers and Marsh (across from Tennis court) needs cleaning shoulder of the road. Approach the Forest Committee for solution to clear and maintain proper drainage.

## 2. New Business

Al Marks voted in as Co Chairman of Civic along with Ed Rohrbach.

Field Theater: Policy needs to be developed (cleaning after, how many hours at what cost). Need active calendar on Village Website to show bookings of Field Theater. Permits need to be redesigned detailing terms of agreement. Live signatures for both one who submits permit form and the person who approves form.

Yellow stripes were painted on roads in front of all fire Hydrants. Barbara Shippy was not pleased with the placement of lines because she felt as though they did not meet Delaware code requirements of being on a curb. Arden does not have curbs.
