Call to order: 7:40 (door was locked, Dave Claney came to let us in)

Approval of April minutes: approved

New Business

Lower Lane Drain Pipe cleaning: DelDot sent a large pressure truck to clean out drain pipes leading to creek from Lower Lane and Meadow Lane drain Civic monitored progress to this completion with the help from Rep. Bryon Short

Old Business:

- Pavilion design for Buzz Ware picnic tables. Timeline: finish work prior to ACRA camp start date or after ACRA completes and before fair

Harold brought drawings, both with a shed roof.

Al presented a drawing of a hipped roof pavilion, 10' x 14', with an estimate from George Ward for installed.

Action: A review of revised drawings Al, and an estimate from Ken Morrison for Harold's design to allow for a more informed decision

- Field Theatre: Al presented the project; Dave Claney was used to locate storm drain pipe, Guy Construction will perform the installation of Catch Basins to draw water away from theater and Mandy's house: 1' x 1' catch basin under stage step.

Using 4" pipe to direct water to catch basin located at end of service road. Drainage will then continue thru system into the creek basin.

Motion: to put in pipe as planned: Passed 4 in favor, one abstention.

- Walkway from Road to Theater (replacing old asphalt with bluestone) Harold presented revised proposal for walkway, price from Cropper
- Picnic table for South end of The Green play area: Harold got a price from Cropper for stone table. Designs for table will need clarification, along with review of cost. Consideration for all trees in the area not to be damaged

Questions from Carol Digiovanni: *"Please clarify the motion that was made and the vote"*. (Regarding the vote to implement the drain at Field Theater. 4 voting to put in drain, one abstention.

"Is Al trying to push project through without going to town meeting?" Ed answered that the project had been discussed at many town meetings. Discussion of committee responsibility to carry on work that the committee members are elected to work on without taking all the details to town meeting. Not every decision about town maintenance needs to be addressed at town meeting.

Motion to adjourn, seconded. 8:40 pm
