The regular meeting of the Town Council was held on June 22nd at the Public Hall with

Hammond D. Ward, presiding.

After a question was declared present, the minutes of the March meeting were read and approved.

The annual report of the Trustees was read and a clean copy placed on file. The report for Committee work then followed.

Arding Committee - Carl Van cleve, Chairman, submitted a signed report to the Secretary and gave copies of the report to all present.

After a few questions which were answered by Mr. Van cleve, the report was accepted as presented.

Bond Assessor - In the absence of

Mary Ross, Chairman, Mr. Van cleve, Secretary, gave a copy of the report to all present and then presented the report and following the reading of the report to the Town as made by Mr. Brooks.

The report was accepted. The Assessor report and file entry of a receipt of $500 after the third assessment for the fiscal year beginning March 1st, 1929. A lengthy and heated discussion followed which brought many pertinent points to the report. A motion to raise the assessment on the assessment which was passed by a vote of one.

Case Committee Report - Albert Williams reported the committee had met and inspected the town and found the streets were in good condition and especially in spots. He mentioned that residents of Abbey should either
Hand away in bins debris as there are plenty at our dumps in the woods. They caused a fine harvest as well a make unsightly spot. 

We mentioned that an amount of the funds the social have not been improved as they would like them. Social complaint were registered pertaining to: 

- Weight of your floor 
- Water tower set where they can be placed at the end of the street where they also a dead end sign placed at entrance of their street. Mr. Williams said that these matters would be attended.

Negotiation Committee in report: 

- Community Planning Extension reported having shown a mention of 
- Council Committee. We also registered a complaint about garbage collectors who are leaving the garbage cans on the property.

This presented a real problem to all concerned that appealed to parents of children to establish that about the noisy Wolff events being found in public places. The other particularly the cooperation.

Safety Committee has been inspected of the streets and the condition.

A report was made that boy from school to suspect water tower on children been seen. They were going to get a bottle and didn't go far the first calls. Call for one of the children. Step from a window in Hillside Park. Have feet removed put on abjectly one has been replaced but there will be removed.
Danger of burning trash on one's property are harder but Boyce on the 1st of Nov 92 where the asphalt is involved has been ruled unlawful.

Negro Finance Committee composers of Mr. King, Mr. Carl Brant, Mr. Carl Van Beek, and Mr. Fiskington were no specific recommendations at this time, but much work has been done.

Good Neighbor Committee James A. Young of the committee reported that little or none of the children in the committee was present. But that the committee decided to accept donations to fulfill their commitment of paying the subscriptions for the Negro News to purchase new ones for emergencies and that they will report at each Board meeting.

Under new business it was noted that there was a request on the Safety Committee. A motion was made that the committee be empowered to appoint a member of the committee. It was made that the First Insurance Company has been decreased due to the increase of fire hydrants. Each fire hydrant should have a fireman to operate the hydrant.

It was mentioned that the Board Commissioners agreed to the recommendation of Mr. D. R. Smith. The Commissioners Engineers stated that before any definite plan can be made the by-laws will be considered. The engineering firm has been notified that the new bridge will be considered by the Commission Engineers who might be affected.
Question was made as to whether or not the law pertaining to safety in parking lots was required to be met. It could also apply in Aider.

A motion was made and passed that warrants would prevent the passing of Fredric Saleen a long-time resident of Aider and one of the letter writer. Aider a letter to the Secretary.

A motion was also made and carried that a letter of condolences be written expressing sympathy upon the demise of a friend.

Complaints on the Aider Bus Service have been registered and it was noted that letters to the Public Service Commission were in order. Complaints in past 30 days were mentioned.

Mr. Stephens made the motion that the Secretary write a letter to the Town Council to the Public Service Commission of a request for a license to purchase a garbage collector, calling attention to the lack of garbage collectors on the streets of Aider. Motion was carried.

Under other business, Daniel Stephens asked that the duties of a crossing guard be read. Mr. W. W. then read a formal from the Town, explaining that the Secretary made a request that the Board of Assessors submit all 10 and other concerns their books of records for inspection.

The meeting adjourned.

John E. Knepper, Secretary Pro Tempore.
