Albee Williams reported for the Committee that pool expenses have been greatly reduced for the summer season in the town.
The green field being taken care of by Newton Vanderwee and C. C. Enhardt. I am pleased with the only limit placed on the committee for doing all they wish needed. The garden should have a fence that will keep dogs and raccoons out. He will furnish the fence of 11 W. 116th St.

The safety board works cooperatively with us on mosquito control. Newton Vanderwee will spray all roads and lawns.

Mr. Hardy said that the home committee should be implemented for all the good work done. In town, the report of committee was accepted.

The Board of assessors reported that the work on stores, company, farms, and land rent will be based on rate of 

6.50 per 1,000 square feet.

The assessors explained that the increased rate was made necessary by the increased school tax of 11%. This assessment does not include any stores for revenue.

The report of the assessor committee was accepted.

Mr. Smith of the budget committee said that the committee is concerned with the need to replace trees. He needs money for this.

The budget committee reports 365 votes were cast.
Advisory Committee had a special meeting in reference to failure of all other
more formalized committee reports.

The Advisory Committee reported an
audit of Trustees' books. On motion the
report was accepted.

Safety Committee report made by Wedders
stated that all children and pedi-
ar rated workers would be sequested. "No
mean or secrets against witnesses of some rule,
the state police will cooperate." The Safety
Committee needs help in carrying out its duties.

Mr. Ferguson By Lucy a school nurse
the Council of Center organization.

Under Gordon Welfare Earl Brooks
presented an argument against
fluoridation of Arden water supply.

A referendum is to be conducted at
the state line. It stated that many
akins and dentists are against fluoridation
because it can stem tooth decay, chronic
disease, and it is a poison. It stated that
many proofs of effectiveness of fluoridation
are not all these claims. Although
Mr. Brooks had not completed his
discussion because of the lateness of the
many it was suggested that we hear of
special meeting to consider fluoridation.

Mr. Brooks adopted this suggestion.
It was noted that the Safety Committee had mentioned some members that needed to be replaced and that they needed more manpower. A Motion was made and passed that the Chairman of the Town Assembly investigate whether any member of the Safety Committee needed to be replaced and to appoint replacements if needed.

Jim Turner reported that at spring, the municipal toilets in the main area are contaminated and suggested that the water must be used for drinking purposes.

Meeting adjourned respectfully submitted

Mary Molly
Secretary.
