The regular meeting of the Town Assembly of Arden was held on March 16, 1961, at the Old Hall with Trustee Wain presiding.

The minutes of the January Town Assembly were read and approved.

The financial report of the Trustees was read and approved. The report was in order.

Trustee Wain reported that the Trustees have been making regular checks on the matters of business, but they do not have a special report for the Town Assembly.

The report of meetings accepted.

The Civic Committee report was presented by Al Williams. It was made on the grounds. A drainage ditch constructed in the works behind the tennis court has been removed to channel the water to the creek. A new pipe line is being laid near the Moonlight Theatre to carry the drainage from the highway into the creek near the tennis court.

A survey has been made on the driveway between the Hotel Construction Company and the town to settle the matter. This has been discussed with the Trustee and they are pleased at the arrangements. The cost of the work will be charged to the hotel.

All regular maintenance of the town will be carried out wherever possible during the construction of the sewers.
The Board of Assessors reported that the assessment in Arnold has been increased from 675 to 700 at the June meeting. For 1000 the 1000 Assessment was increased for the year.

David Stephenson stated that the report of the Assessors is contrary to the Deed of Trust and contrary to the method of assessment of land values by the Single Tax method. The report of the Board of Assessors was received and passed with the negative vote.

The report from Budget and Community Planning Committee.

Registration Committee reported 378 voters.

John Murphy reported from the Water & Sewer committee. He declined the meeting of the sewer project. A petition was signed by 657 of the voters. It is required to join the Natomas County district in September of 1958. It was necessary to form a separate Arnold County district. In December of 1960 a referendum was passed by a majority to start the project. The Board had an increase of 1000. proposal was approved by a majority of the voters. A petition was signed by a majority of the voters. Requested the Tery Katz to assist the contractors to the
long hidden and the works underway.

The committee met with a licensed plumber and maintenance personnel from nearby 
groups to discuss the recent problems. The city 
proposed new regulations needed to water the 
plants. It was mandated that the report be accepted almost 
start.

The Water and sewer committee was asked 
to send a copy of their report to all the 
residents.

Dorel Stephens does not feel that the 
report should go through the city, 
George felt that we should ask a 
contractor. The high bid was made because 
of the law that requires sharing and the 
contractor is not sharing. It's the ditch.

Safety Committee report: Mark Berger reported 
that dangerous chemicals were used to allow 
plants to grow at the front of the city 
carpark for 15 minutes only but they just 
launched their parking lights, as you 
know. Service reported two break-in incidents 
and other nosso reported. On motion, the 
report was accepted.

There is a request in the Big Law Committee 
to fill the position on the committee. The 
newly elected chairman of the building board, 
Mr. Harold Smith, was requested to outline plans. A 15-day 
period was offered by the Board of Health. The day of the 
opening of the port is October 15, 1961.
because it is felt that uncertainty of date of completion of sewer would determine cost of construction of port.

None of the sewer would effect the 350 acres of land which it is proposed to sell. The town of Latakia is expected to purchase the sewer. This means that some preparation would be necessary if the bid is to be accepted.

Under new business, the Resettlement Committee conducted the election of several members of the Board. The results of the election are as follows: Resettlement Committee: Ruth Stetson, Patricia Prendergast, Lydia O'Gorman, Dorothy Kuhns, Earl Van Deusen, Mrs. O'Gorman, and Paul Smith.

Muriel Allen was unanimously elected to serve as the Town Assessor, Secretary of the Board, and the Secretary was instructed to cast a ballot electing her.

The report of the School Trustee was made by Walter Wood. He reported that Mr. Floyd Estes, Rapunzel, was recommended for reelection to the Board.
at an election to be held on May 4, 1961.

The School Board and the Headmen are taking special precautions during construction around the school. Pebbles can be held in areas of heavy excavation.

Note to parents that the point out danger of playing around excavation and near machinery.

Mr. Alexander谪:ke feels that the playground is being threatened by the St. Helen's girls in making dumping. He pointed out that the new market at the corner of Main and Oak Road will have problems in difficult times. He feels that Mr. Strehler should warn people about their violation of not allowing the same.

It was suggested that the Trustees write to the legislature concerning the laws that are in places. The duties of the policeman legislation is needed to give clean cut area protection for private roads in small communities.

It was pointed out that children use Fuller Road and Walnut Lane as a playground. It was suggested that Mr. Strehler should consider the noise and green area play area.

Therentity are noted addressed.

Respectfully submitted,

Mary Helen Secker.
