The meeting of the Town Committee was held last week. The present attendance was much lower than usual. The minutes of the previous meeting were read and confirmed. It was then decided to call a meeting of the different districts for the purpose of discussing the necessity of the various improvements. The Town Committee has been busy making preparations for the coming elections. They have been working hard to ensure that everything is in order. The officers of the Town have been kept busy with the necessary preparations. The work of the Committee is as follows:

- Preparation of the ballot boxes
- Registration of voters
- Distribution of pamphlets
- Arrangements for polling booths
- Coordination of the election day activities

Overall, the Committee has been working hard to ensure a smooth and fair election process.
Article established as a County Sewer District separately or otherwise as may be deemed best and best Further Resolved that the Mayor of the County in view of the desire of the overwhelming number of residents of Arden to establish a County Sewer District and district and to present further delay and difficulty may be best served and without petition to set a date for a public hearing and Lacks with other action as may be required to organize a County Sewer District in accordance with the 9 Aclama Table and 12, and the 7 Further Resolved that a copy of this resolution be sent to the Mayor and the County Engineer.

Any committee report given by Alber William stating that Charlotte County has been hard as many ground this summer but we need some for school grounds. Newton Vaile has purchased equipment and will do all town maintenance publicly in the streets. A study has been started on mosquito control, and all three Ardens will be asked to join in order to control mosquitoes.
