The regular meeting of the Town Assembly was held on May 19, 1950, with Treasurer Wane presiding.

After a quorum was declared present, the minutes of the March meeting were read and approved.

The financial report of the Trustees was read and approved. A copy is in file. H.O. Wane reported that Mr. Caballier, the Kent engineer, reported that a sewer line is planned to come up the Homans creek on the north side to serve new development planned in Hardy, Fair, and Johnson tracts. If we want to tie in the line we will be added to that sanitary district. The question of the water supply was mentioned. The developer plans to build two large sewage plants and pump the water up the Hillsdale Road to fill their tanks. The land will be developed into 10,000 sq ft, 25 15,000 25 ft lots. Adequate recreational facilities are planned. The report was read and adopted.

Mr. Magrane reported for the School Trustees. Our district has not been keeping up with other areas in payment of teacher salaries. Two teachers received the state-established salaries. The state decided to encourage teachers to increase their salaries. It would be done by having a referendum vote run by the School Trustees. The money would be collected in the next year, but the state would pay the increased salary. Change in raise would be about $1,500 per year.

A motion was made and passed unanimously that we approve the suggestions made by the School Trustees to increase toy rates.
In order to increase the teachers' salary in the district.

City Committee report by A. Williams reported work start in clearing the wood.

The problem of securing in the bond un presented.

We only had enough money to finish in 110 ft. in budget instead of 160 ft. needed.

The meeting approved extension of the farmer to 160 ft. and took the money needed all of contingent of these; is not enough money left in refinancing part fund to cover the cost.

The report was adopted.

Assessor report. A.W. Walker was elected and Mayor.

There will be two open meetings in June or July.

Community Planning Committee reported that plans have been made to make a complete back ground at the Field Theatre.

The site of the greens as parking lot and drug are a disposal report accepted.
