The regular meeting of the Town Assembly was held on September 21, 1958, with Trustee Wacker presiding.

After a quorum was declared present, the minutes of the prior meeting were read and approved.

The financial report of the Trustees was read and approved. A copy of the report is on file.

Philip Cohen reported on the action taken by the Trustees concerning services.

A majority of the residents were agreed to join the Magna Creek Sanitary District. As much as the title to the land is in the hands of the Trustees, the City Court took the position that the bill must be presented to them and paid by them. Mr. Cohen outlined the plan in which the land rents come to be assessed by assessors elected by the residents.

The Chaplains in a suit concerning the said that the Trustees had delegated to their representative to find the full rental value of the land. The Trustees are willing for the residents to have more but money must be assessed to pay for them. It is going to take 4 to 9 months to judge the survey made. Mr. Cohen felt that the residents at the first meeting charged in the annual assessment of the sewers, as an increase designated because that charge should be assessed against the individuals who they sign up for services.
This would be a lien against each property owner. It was pointed out that
the increasing area of land and
charges on overall assessment
against owners was made part of
the petition as an amendment to
the original petition as presented
by the Water- Sewage committee.
The Trustees also reported that
the situation concerning parking
appear vandalism, speeding etc.
It was decided to estimate that he had
hired ten pacer pilots to help correct the
situation. So far, it has been doing
a good job. Therefore, it was decided
to try him for a year.
The Trustees were recommended for
starting the ball rolling to get
details of hiring a sheriff. It was suggested
that the Trustees and the Board
meet together to figure out
measures to improve the sewage
system. A motion to adopt the
Trustee report was accepted.
Also, Williams reported that Joe Vanderne,
was going to retire at the end of the year.
We have two applications to replace him and
we will have to decide between them. The
rules for swimming pools formulated by
the Board of Health came to meet your pool.
We have asked to be considered a natural
pool and a decision is to be made on
that soon.
Assessor in report
Budget Committee presented a written report. A motion was made to
Amend the item of $50 for public
collection from the budget because
so many residents have a private
collection rate away with their
garbage. The amendment was defeated.
A motion was made and passed
that a sum of $300 for playing with
DDT be shown as a separate item
and that Comm. fund be shown as
$700.

A motion was made and passed that
a sum of $600 for sheriffs relay be
included in the budget.

A motion was made and defeated that
the $300 item for DDT be stricken
from the budget on 33 May.

A motion was made and defeated that
$35 be added to the budget
for maintenance of the Sweeney Park
on 28 May.

A motion was made and passed to adopt
the budget as amended.

Report from Comm. Planning and
Recreation committee.

Appropriations Committee reported that other
committees had made details discussed
in meeting.

A motion was made and defeated to
adjourn meeting to reconsider in
this budget.

The following people were
Nominated a successor to be elected by proportional representation: Clyde Bosco, Shad Hildebrand, Frank Rosencrans, Floyd Otis, Tony Angly, Frank Turner, Martin Holden. Tentative names: Carl W. Snyder, Carolyn Fiebien, Ray Kipstern, Murray Farkas.

A motion was made that we study assessment of Arden Dale at 4.25 per 1000 square feet. There was a vote all in favor. The motion was defeated because to change the assessment needs a 1/3 vote of resident present at a meeting.

A motion was made and seconded the Cem. Committe to investigate the possibility of a town rubbish and garbage collection. The meeting was adjourned.

Respectfully submitted,

Mary Maple Secretary
