The regular meeting of the Town Assembly was held on Monday, September 28, 1936, at the City Hall with Trustee E. O. Davis present.

After the prayer was declared present, the minutes of the June meeting were read and approved.

The financial report of the Trustees was read and approved. The Treasurer's report stated that a public meeting to consider the widening of Avenue B was called for October 8, 1936. At this meeting, the Board of Trustees Mr. Davis, Mr. Peterson, Mr. Peterson, and Mr. Peterson observed.

The Trustees then met to discuss the threat to the Trust caused by the widening of Avenue B. The Trustees decided to increase the tax levy and take necessary steps to pressure the Trust. A suggested special assessment on the community was made, but it will entail a suspension of Town funds.

The Trustees thought it would be well to have a committee for Town Meeting to formulate plans of opposition to the suspension of Avenue B. The report was accepted.

The Trustee reported that the financial committee had met and are considering ways of improving town financial conditions. At the present time, there is enough money outstanding in-order to pay uncollected taxes. Unpaid rent totaled $811, and balance on hand as of September 1 was $1,977. The taxes for 1936 have been paid.

The Committee reported that several field trips have been made to study the problem.
of the old swimming pool which is becoming not only unpleasant but also hazardous. It is not possible to maintain the area as a swimming pool because the cost necessary to keep it in good condition is so great that it will not fulfill the area's deep enough for swimming. Vitamin sunshine is lacking due to way to get filled again to fill up the hole partially. The Board of Health has been asked to check several areas where overflow of sewage is creating a health hazard. The residents will be compelled to fire into the sewage system.

Budget Committee report was circulated and explained by Captain Bache, Secretary of the Committee. Estimated income will be $47,500 and operating total, $34,500. Administrative expenses amount budgeted for and unexpended revenue of $400 to help building.

I move that the above motion to amend the Budget be permitted the Civic Committee to expel the year in correcting the situation at the old swimming pool and that the motion be defeated.

Capt. Van Bache pointed out the necessity of trying to build up the Sunshine Fund to the care of any unexpended expenditure we may have. A motion was made that the Budget be approved for referendum. Motion carried.
The Hon. Frank does not feel that the Budget Committee are really budgeting their funds. They are only allocating them at the beginning of the next Committee.

For Community Planning Committee, the following recommendations:
1. A special meeting be called to explain the recommendations of the Planning Committee on Orillia.
2. The solar panels should be placed in the grounds.
3. Fire hose should be used at burning tests
4. All signs and meetings should be trimmed.
5. Suggestion from a letter campaign.
6. Suggest shelter be planted to outbuildings and a fence.
7. Suggest for the oval to be used for family gatherings.
8. We should not have any commercial zoning.

I suggest the Committee arrange to have the stream cleaned of debris more frequently.

The District Committee: At present there are 350 eligible voters. It is quiet that landlords letters shown when they are change in their tenants.

We report to Advisory Committee a Committee:
1) And angry report of the Union Neighbors Committee.

Be done to fight the proposed widening of the road. Most people feel the road should be expanded but not wider to 60 feet. The committee is composed of Samuel Seehan, Frank Adebong, Carl Vorkelle, Frank Stein, and several unattached people interested in the road. Both Republican and Democratic nominees have been invited. My starred had told Mr. Hadmen of his plans to call the meeting at dinner.

A motion was made and passed to have the Town Assembly go on record as opposing an interchange at Harry Reed to proposed U.S. Route 95.

A motion requesting Trustees to act in behalf of the Town Assembly concerned, and most withdrawn because it was felt meeting need more information.

A motion was made and passed regarding the passing of a resolution by Hazel Stephen.

A motion was made and passed to recess the September Town Assembly subject to recall of the chair.

Respectfully submitted,
