

## Safety Committee Meeting 9/6/17

Brooke Bovard, Chris Junk, Steve Harcourt, Steve Tanzer

### Minutes:

There was no meeting in July. The June minutes were approved.

### Budget

There are no recent expenditures.

Brooke has asked for the same amount for the next village budget.

### Fine Notices

There are no recent paid fines.

We intend to serve a fine notice on the Plymiers.

### Signs

We agreed to hire a contractor, local if possible, to put up the many sign poles needed. Brooke will contact contractors for an estimate.

Signs needed include:

- No parking north side of Orleans/Harvey
- Stop signs at little lane
- No Parking Fire Lane signs at the fire lane
- Bike Lane signs for Marsh
- Replace various faded one way signs

We will assemble a large sign order and have it paid directly by the village treasurer.

The contractor will handle the Miss Utility check.

### Parking:

A private bus, the Kidz Van, is routinely parking in the no parking area south of Orleans/Harvey to drop off and pick up schoolchildren. Steve Tanzer will try to contact him.

### State Maintenance Contract

DELDOT has authority over state roads through Arden edge to edge only. We have title to the Harvey Road right of way.

Brooke stopped the recent verge mowing. DELDOT agreed they had no jurisdiction.

She has points of contact with the DELDOT engineer and a state police officer.

### Traffic Calming

Brooke will continue to discuss traffic calming with Community Planning. Speed tables with cutouts designed for emergency vehicles may allay the fire company's concern.

### Dogs:

Steve will upload an FAQ on dog licenses to the village website.
