Call vote

Unanimous

A vacancy position needs to be filled because Civic was under by two nominees for the March Committee ballots. Two names to be submitted at June Town Meeting.

Minutes: March minutes approved as presented by email to all of its committee members who were present for that meeting.

Trees

The Green has down branches that need to be cleaned up. Ed will contact Shawn van Neerden to do the work and to provide new contract and obtain a copy of certificate of insurance for office files. Ed will prune the trees and Shawn can clean up clippings. Sherwood and Arden Green prune trees and remove debris by licensed and insured vendor.

Millers Rd, about three trees down from St Martin's, is a tree that might be dying or is already dead. Ed will check it out and get back to the group.

Field Theater

April 18th a wedding is scheduled for the Field Theater and the area needs to be cleaned up.

Field Theater's storm drain is clogged. Al would like to trace the drain to see where it is draining from before calling in a professional for repairs.

Roads

From Walnut Ln (from Barbara Shippy - at 2314 Walnut Ln) to Millers Rd was repaved and graded to concrete drains.

Next scheduled for repaving:

Hillside Rd - from Miller's to 2115 Hillside Rd

Wind Ln to intersection of Hillside Rd to speed bump. Two large patches on the south end of Hillside Rd.

All little potholes being filled.

Look for other pieces of road work and proceed.

Request additional amount of \$1,200 to be used to repair road surrounding manhole that looks as if it is sunken, located on Pond Ln. Approved.

Soldiers Memorial

Soldiers Memorial needs some evergreens planted where the old pine trees used to be. Suggest maybe planting rhododendron. A group is interest in a labyrinth. The Civic Committee will need to receive a blue print/plan and meet to discuss further for more information.

Civic Monthly Meeting

The meetings will remain at 7 pm, the first Tuesday of each month.

Waste Management

Waste Management for years was handled by Amy Pollock but it will be moving back under the responsibility of Civic.

The leasehold that was once owned by Mc Millian is a part of Arden and therefore should have their trash picked up by Waste Management as part of Village contract. Due to the time it was vacant and under construction, this service was probably paused. Liz will go back to new leaseholder to see if her trash is being picked up.

Signage

A sign has been requested by the Arden craft shop/museum that would be relocated at the corner of Orleans Rd and Harvey alongside all other signs. Their sign would show an arrow pointing in the direction of craft shop/museum building.

Street sign located on Lower Ln and Hillside needs to be moved for visibility.

Meeting adjourned at 8:37 P.M.

Respectfully submitted
Elizabeth Resko
Village Town Secretary
