

Civic Committee
Special Zoom Meeting Minutes
June 29, 2020

On the **agenda** are

- use of the Field Theater (several requests and one already scheduled)
- and group activities on the greens.
It will be policy oriented.

Attendance: Steve Benigni, Rick Ferrell, Carol Larson, & Halold Kalmus, Mark Wood

Guest: Al Marks

Steve Benigni, Chairman commenced meeting at 7: 32 p.m. on Zoom

- **Group Activity on Green**

Sports (Frisbee) on Green

When playing frisbee they are in compliance with distance but when they clustering around bench, hang out, there is a safety issue.

Need to post signage of Corvid guidelines per state of Delaware

Steve prepared a sign in which the message is to maintain social distance, wear a face mask, & play safely. Signs need to be waterproof either by sheet protectors or laminate at staple. Will post signs on backboards and back of bench.

Civic is aware that posting Covid guideline are not enforceable, but they chose to post them anyway, because they have a responsibility to community.

It has been suggested for Steve to talk to Jeff Politis, who knows the group, for a contact person. Civic would like to speak to them personally to explain the important of them following the gu idelines, or they will have no other choice but to close down the Green.

- **Use of Field Theater (several requests and one already scheduled)**

Benches at the Field Theater can accommodate 38 individuals via 6 feet distance guideline. Although more seats could be added by seating couple together or adding individual chairs in the back, committee decided to limit seat to 38 max.

Shakespeare is interested in renting and selling tickets. To rent the Field Theater the following conditions need to be respected:

- Max seating 38

 - No bathroom facilities

 - Must clean up after event

 - Parking needs to be further addressed. Do they park at Sherwood or Gild Hall (If GH, must check with club)?

 - Price - If it is a club sponsored gild event no charge because the club received proceeds. But if it is not a club sponsored event, then \$100 first day and a discount \$75 each day thereafter or discount to be reconsidered.
-
- The Ardentown's street signs are hard to read because the font is thick. Suggest Arden new signs use a thinner font. All agree.

Respectfully submitted

Elizabeth Resko

Village Secretary
