

Safety Committee Meeting 3/13/19

Brooke Bovard, Steve Harcourt, Steve Tanzer, Chris Junk

The committee approved the January minutes

Election:

Brooke, Steve T. and Chris won reelection.

Meeting with County:

Brooke met with County Executive Matt Myers. They discussed code enforcement in the Ardens and the need for more exchange with the Village government. The County behaves like there are no citizens and only discuss development issues with the trustees.

Parking:

Parents of students are still parking in the sweep in spite of the no parking signs.

Traffic calming:

Carol Larson talked to Brooke about planted triangles to manage rainwater runoff while providing a buffer at the crosswalks. The area of the pipe next to the Shweer leasehold would be the first site for a catchment basin and garden. Forest and Community planning are planning to contract for a Village wide hydrological assessment.

Problem leasehold:

Seminick property driveway issue is resolved. The owner is planning only a temporary entrance for construction.

Budget:

We need to spend money before month end. Chris will put I a sign order. John to submit for upfront money for sign installation labor and materials.
