

Safety Committee Meeting 3/14/18

Steve Harcourt, Steve Tanzer, Chris Junk

Storage container:

There is a large storage container partially blocking Walnut street. The committee supports giving a citation.

Cars on Sweep:

Between 7:15 and 8:00 there are a number of cars parked on the sweep near Harvey waiting for a school bus. The number of parked cars, parents and children on that narrow street are a hazard.

Parked car:

There is a large pickup parked on the street by the Shedd property. The recycle truck hit trees trying to get past it.
