## New Trash Service Schedule for the Ardens

**New Collection Day — Tuesday**  
*All Three Villages*

**Beginning in September**, Trash Tech will be collecting trash, recycling, and yard waste **for all three villages on Tuesdays**.

In response to concerns expressed by the villages, Trash Tech will consolidate service in the Ardens to a single day with a dedicated truck and crew.

**Collections will begin at around 7 a.m.**, and the crew will try to maintain the same weekly route schedule to promote consistent, predictable service. Please note that it will take several weeks for the crew to establish a consistent route.

Recycling and yard waste collection will continue to alternate each week.

The new schedule will begin with Labor Day week collection being on **Wednesday, September 7th** (*a yard waste week*).

**Tuesday collections will begin on September 13th.**

### ***If you have service problems...***

- *For service problems involving individual leaseholds, contact Trash Tech Customer Service at 302-832-8000 (The number is on the trash can.)*
- *For systemic issues involving multiple leaseholds or repeated problems, contact your designated village representative.*
