

Civic Committee Meeting August 2, 2011

Meeting convened at 7:05 pm

Attending Rodney Jester, Ed Rohrbach and Valerie Hutchinson

Ed will meet with Downing to finalize road work to be done on Aug. 3rd.

Road signs have been painted and reinstalled. An inventory of what we have and what we will need in the future needs to be done.

Some work may still need to be done clearing around the Stile path.

The Stile sign lettering needs to be repainted. Some old photos show the lettering in red.

Meeting closed at 7:20 pm

Respectfully submitted,
Rodney Jester
