

Civic Committee Meeting Minutes

July 5, 2011

Present

Committee Members: Tom Wheeler, Rodney Jester, Mick Fitzharris, Ed Rohrbach
Town Secretary: Elaine Hickey

The meeting was convened at 7:05 PM.

ROADS

Road work will be consolidated and Ed will get estimates from Downey. Will find out if better repair could be made on very bad areas by repairing with large concrete sections.

Rep. Bryon Short says there is MSA money available. We will have to apply for it.

ROW at 1901 MILLERS RD

The rutting of the ROW from heavy equipment used during the construction work on 1901 Millers Rd. will be repaired with dirt and seed by the leaseholder.

FIELD THEATER

Rodney will place four metal drivers in the ground at the survey points around the Field Theater so that they will always be visible in the future.

FELS OAK

Playground Committee has depleted its budget and has requested money from Civic so that they can purchase topsoil for the areas around the recent work done on the playground. Civic will not grant a transfer of funds due to concern for having enough money for its own projects and the fact that they don't feel that adding topsoil would be good for the Fels Oak which has already been compromised by the recent playground construction. Aerating that area would probably be a better idea. Bartlett Tree Experts have been contacted regarding what can be done for the Fels Oak. We will send the Playground Committee and the Village an email and let them know that we are awaiting advice from Bartlett.

PICNIC TABLES

Tom will get a quote from Larry Walker for painting and repairing the picnic tables in front of the BWVC.

OLD BUSINESS

Street Signs- The Committee will work on painting the street signs this weekend (7/8-10) in order to get them all done.

Next meeting – Tuesday, August 2, 7:00 PM, BWVC

Meeting adjourned at 7:55 PM

Respectfully submitted,
Elaine Hickey
Secretary, Village of Arden
