

Civic Monthly Minutes
September 3, 2013

Attendance: Rodney Jester, Ed Rohrbach, Valery Hutcherson, and Tom Wheeler.

Convened @ 7:03 P.M. (Short meeting due to Advisory meeting scheduled for 7:30 p. m.)

Tom: Rocks (front of BWV) have been moved.

Tom presented an invoice received from Dale Tatom but it is an open invoice from Bart Yoder. Sea oats removal Yoder needs another six hours to complete job.

Leasehold Transfers

Rodney: A letter from the Trustees to Civic committee for 2302 Hillside Road (Jancuska) has been received in which they are asking if there are any issues with the transfer. Civic recommends the leaseholder apply for a permit to excavate the right of way where they have connected their sewer line. They need to restore road right of way and put back to original condition before Civic Committee/Trustees agree to transfer leasehold.

Ed received official letter from Trustees for 2316 Walnut Lane (Barrish Property) to Civic in reference to any issues prior to transferring the property. Ed never received a survey and he will contact Trustees requesting one before transfer. The purpose of civic receiving survey is to go out to the property and see if there are any encroachments.

Memorial Garden

Advisory Committee decided along with civic and community planning that Memorial Garden should be a subcommittee of Civic. Tom sent an email to them on this issue and has not as of yet received a response. However, unofficial conversations seem to be positive and think it makes sense. No need for a town vote: a simple notification will suffice.

Adjourn meeting at 7:22 P.M.

Respectfully submitted

Elizabeth Resko

Town Secretary
