Civic Meeting

November 4, 2014

Start time 7PM

In attendance Ed, Albert, Mick, Rodney

Absent Valerie

Ed called the meeting to order.

First item,

Carol Lawson has received a grant for 5 trees, committee discussed placement of trees along the roadway at the Arden Green

Second item,

Report and discussion on trees that are or maybe a danger to the public on town land and right-of-ways.

Ed, reported a large red maple in the Memorial extension (North side of Harvey Rd.) having a rotten base and being a danger (voted to remove) also 2 trees between the Phillips leasehold and the Buzz-Ware removed, (voted to remove)

Ed also reported of a lease holder asking for removal of 3 trees in the right-of-way they feel are endangering their property. (pictures were shown and there is considerable concern)

The discussion went to, it being a History or Lease Holder Responsibility, to possibly being Safety committees decision and to the need of a clear policy (to be presented and adopted at a town meeting)

Rodney had researched policies that we may Present/Adopt and reviewed them with committee. ("appendix B Tree City Bulletin")

The committee agree to have the remains of the large Gum tree that fell at the Sweep removed and the spilt rail fencing repaired.

Third Item

Snow Plow contract reviewed with Arden Construction approved and retainer will be sent out. (no changes from last contract)

Committee adjourned 8:16 PM
