Snow Issues

Fire Hydrant Markers

Valerie has purchased 36 markers. The committee members will meet at 10:00 AM on Saturday to install them at each Town fire hydrant.

Plowing Contract

Tom put the addendum on the contract regarding 1) fire hydrants are not to be plowed-over, 2) driveways that have been shoveled-out are not to be plowed- in, and 3) the contractor is not to plow out residents' driveways while working on the Arden roads. We have received the insurance coverage paperwork from Burslem.

Roads

2123 The Highway

Rodney asked the Trustees to give Civic the exact location of the 1080 sq. ft. of Town property that was given to the 2123 The Highway leasehold in the 1940's. The Trustees have contacted their lawyer to seek advice on how to resolve this issue.

Meadow Lane

Roots from the fallen tree have been dug up and filled-in. That section of road will be paved when all other road work is done in the spring.

Spring House

Ed will contact Larry Walker regarding working on fixing the problem of water from the Spring house running into the Memorial Garden and plan to work on it in the spring.

Committee Member Elections

Albert Marks has agreed to run. Will need one more name. Rodney will ask Ken Sutton.

Next meeting – Tuesday, February 7, 7:00 PM, BWVC

Meeting adjourned at 7:30 PM

Respectfully submitted,

Elaine Hickey
