

**Minutes  
Civic Committee Meeting  
July 6, 2010**

**Present**

Committee Members: Tom Wheeler, Rodney Jester, Ed Rohrbach, Mick Fitzharris  
Town Secretary: Elaine Hickey

Acting Co-Chair Tom Wheeler convened the meeting at 7:03 PM.  
Minutes of the June 9 meeting were approved as presented.

**Roads Walk**

Need to find out what our budget is for road work. People have been calling about potholes. Current mowing contract is for two years (2010 and 2011). In September we need to send out requests for bids for snow removal and leaf removal. Canceled the Domanski bid for roadwork because they have not been responsive. We will continue to do work with Downing. Ed will meet with Bruce Downing and get an idea for the best approach for the work that has to be done.

**Trash & Recycling Cans**

Civic will get trash and recycling cans for the Gild Hall as requested by the Arden Club.

**Sherwood Green**

Rodney's request to submit a grant proposal and remove the Norway Maples along the Sherwood Green was not approved at the June 28<sup>th</sup> Town Meeting.

The survey for the Sherwood Green has been done but we have not received the drawings yet. After we get the drawings we need to present a plan to the Town for providing adequate legal parking for the BWVC and the Gild Hall. Connee McKinney says that the Trustees have no record of a survey of the Phillips leasehold.

**Old Business**

Tom will contact Damon Forsberg to do the path clean up and Larry Walker to fill-in the holes that Beverly Fleming has found around the Buzz Ware Village Center. Larry is in the process of re-installing the street sign that was knocked down at Harvey & Orleans. Tom would like to get reflective glass beads put on that sign so that it would be easier to see at night.

Rodney requested that Civic remove branches overhanging the Sherwood Rd. extension. The tree is on the Bill Theis leasehold at 2114 The Highway. Rodney consulted with Trustee Mike Curtis who agrees that the tree itself should probably come down. Rodney will get an estimate for removing the overhanging branches and give it to Civic.

**Next Meeting** – Tuesday, August 10, 7:00 PM, BWVC

Meeting adjourned at 8:00 PM

Respectfully submitted-  
Elaine Hickey  
Secretary, Village of Arden
