Lisa has a sample of the **New Walking tour map** with the changes that had been made by our committee since March when we all reviewed the old map to make updates and edits. She scanned a new map, and got a quote from her printer Associates International for 250 copies for \$395 printed on 80lb cover, includes double gate folds. Last printing was 250 pieces in 2012. We will print 300 this time to have a few extras for welcome packages. Sell to town for \$2 and public for \$3

Some suggested edits were made for Fels Cottages, Will Price designed houses, to add to Friendly Gables, and change wording and identification on map for Ardencroft. The Walt Whitman memorial number move to Cherry Lane. The additions that Lisa made are all great. She will finish for the Arden Fair.

Photos will be small (not hi res for photo reproduction), need to request larger scan from the ACSM to use. Photos will be ready in few more weeks to look at on line.
