A status report for Policies will be started when we start considering policies.

An email was received from Jeffrey Politis concerning policies for spending of funds generating from sources outside of funds collected via land rents. Bev also noted that there also should be employee policies. Civic would also like to see a tree policy to deal with tree on the common grounds.

Copies of our notes and recommendations for Ordinances 5, 6, 7, and 11(after review today) will be sent to all GTF members.

The committee reviewed John's update of Ordinance #7 containing one additional recommendation and additional examples of "explosives."

Ordinance #8 – Dog Control was reviewed. There are no suggested changes. This ordinance is ready to be reviewed by the full GTF.

Ordinances that the sub-task force still needs to review are Ordinances 9, 13, 14, and 15.
