

GTF Information Sessions

As stated at the September 2023 Town Assembly meeting and written in the minutes of that meeting, GTF held several informational sessions in October and November to listen to and address questions that anyone had concerning the recommendations of our work. No decisions or changes were made, just an open session to address questions. Formal minutes were not taken at this informational session because they were intended to be just an opportunity for residents to ask questions. The sessions were held on specific sections of the charter. All of the sessions were held at Buzz Ware at 7:30. They were scheduled as follow;

October 5 Preamble, sections 1-3

October 12, sections 4 and 5

October 17, sections 6, and 7

October 26, sections 8 and 9

November 2 sections 10, 11 and 12

November 9, sections 13, 14, 15, 16, 17 and 18

Most of the Task Force members were present, and some open sessions had no resident attendance. Those who attended were Deborah Ricardo, Warren Rosenkranz, Bob Erenburg, and Garrett Colgan-Snyder. Most participated in the fourth session on sections 8 and 9 on October 26. They expressed disagreement with the recommendations made by GTF.
