* **Convenor** (when indicated following March election) = elected; highest vote-getter; responsible for convening the committee within 30 days of election.

Procedure for filling a vacancy

When a vacancy occurs in a committee, due to the departure or resignation of an elected member, a replacement is elected at the next Town Meeting to complete the unfinished term. To elect a replacement, the committee may agree on a nominee (usually after considering previous nominees and volunteers) and present this single nominee to the Town Assembly, along with a call for further nominations from the floor. If there are no further nominations, confirmation is by voice vote. An election among two or more nominees may be conducted by voice vote or secret ballot.
